

North Shore United
GrassHoppers
Soccer Program

Do you have older children that are involved in sporting activities, but wish you could find an activity for your three year old? North Shore United's Grasshoppers Program is now offering a U4 age group. This will allow 3-4 year olds a chance to participate in a sporting activity!

Grasshoppers Program is non-competitive Co –Ed program that was developed to introduce young athletes to the game of soccer. The program is run by North Shore United's elite coaching staff. Grasshoppers Program is an 8 week program and will be held at the North Shore Soccer Arena in Topsfield, MA (Topsfield Fair Grounds). The U4 age group will focus on developing basic skills of the game of soccer, fun games, motor skills and physical fitness.

About the U4 Age Group:

The U4 age group sessions will be held in the early morning at the North Shore Soccer Arena. We will also offer the option for participants to sign up for multiple days as well. This will give our young athletes a chance to be very active during the winter months.

Session 1: November 5th – December 27th.
