

Practice Field configurations

Fall 2021

INDICATIVE ONLY, NOT DRAWN TO SCALE

Updated: August 22, 2021

TOWER: practices and pre-season clinics

CIRCLE 

Playground

Exit

- Spectators in grassy area between the field and the circle.
- Please do not stand directly behind the goal during games.

HOPKINS: M-F Practices, 5:30pm to sunset

Parking loop

Field house

Exit 2

Entrance

Field 3

Field 2

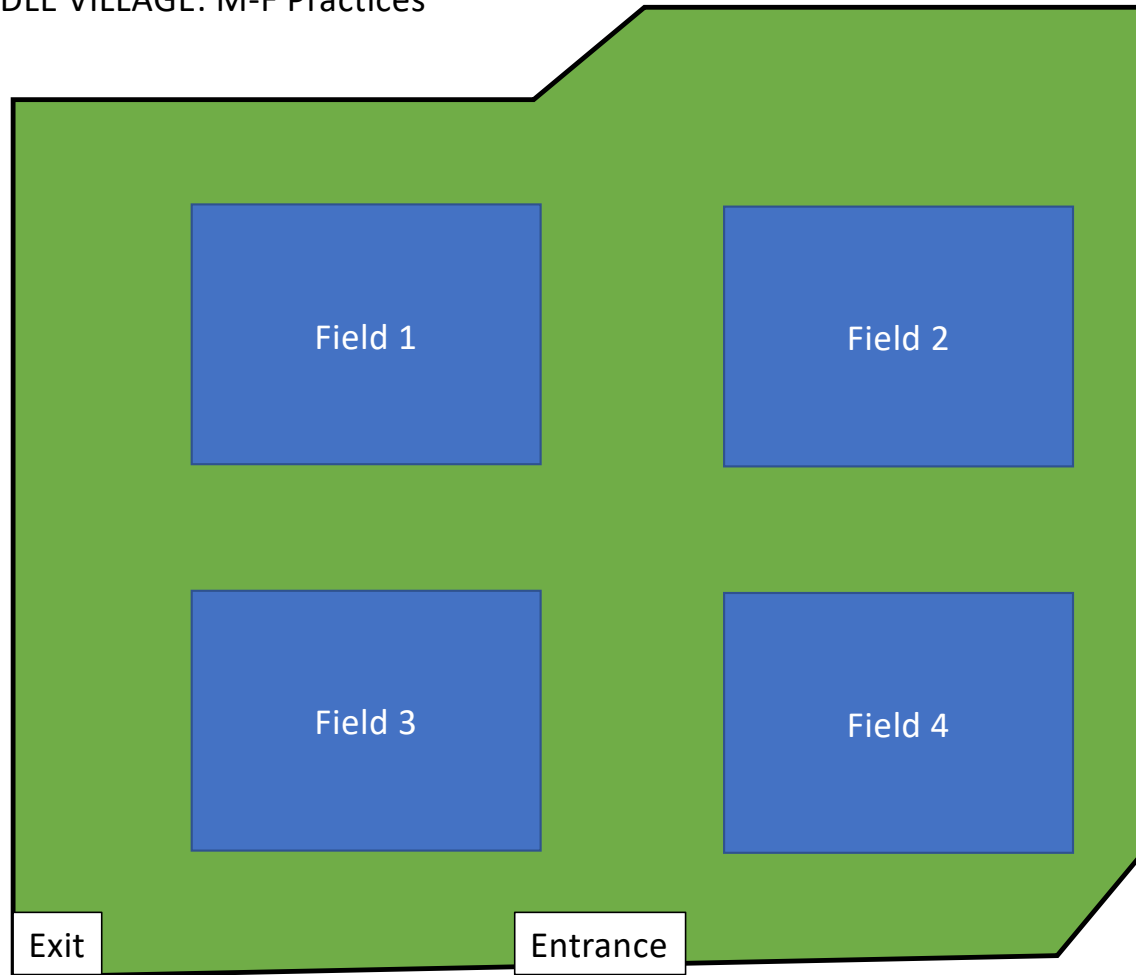

Field 1

Exit 1

- Please share access to the goals. On Hopkins, this may require arranging to swap practice spots occasionally.

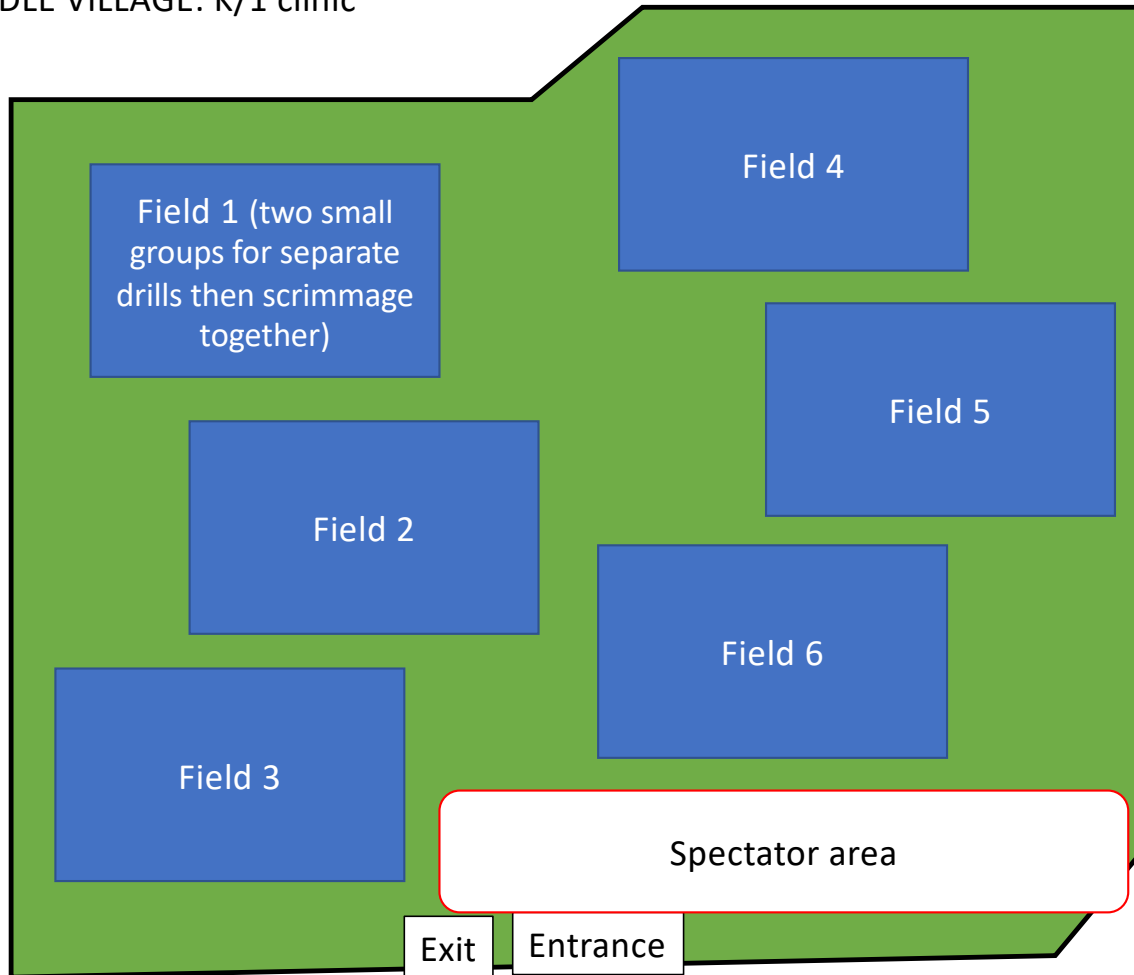

To Jersey St.

MIDDLE VILLAGE: M-F Practices

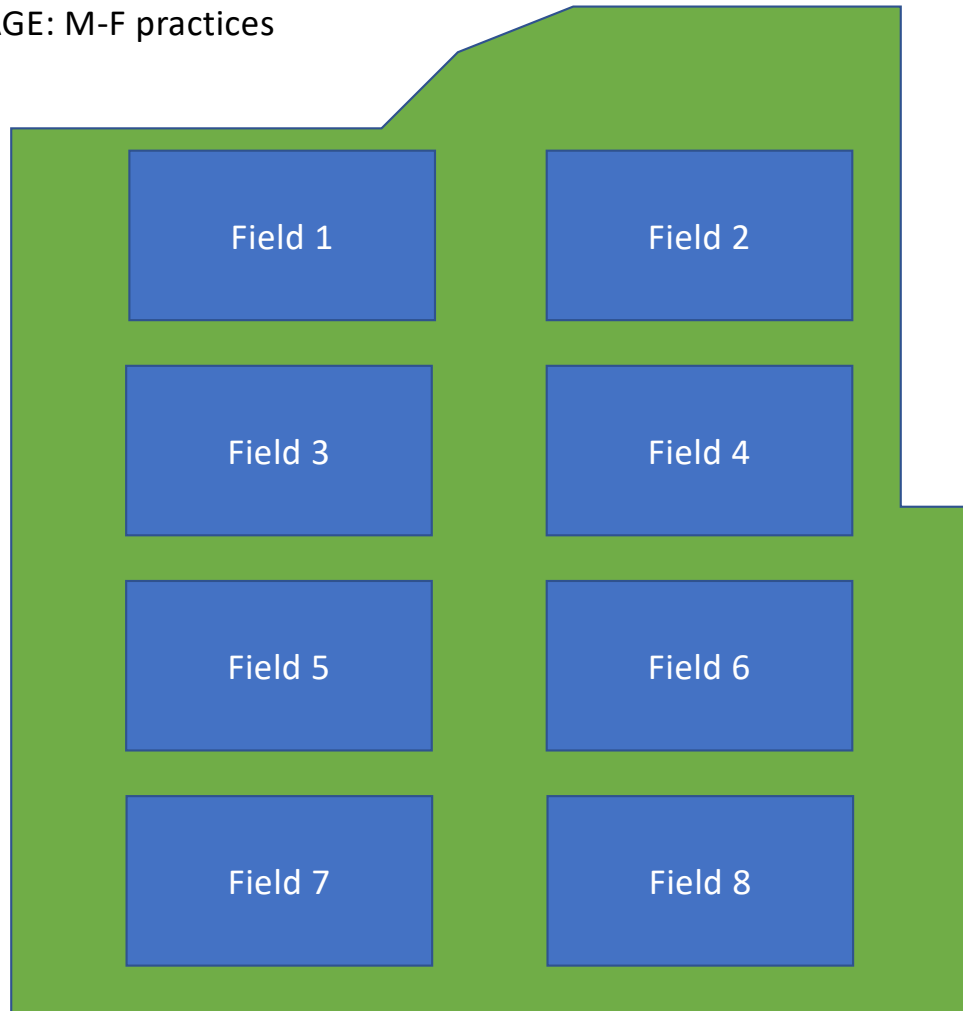

- Please give priority access to G8 teams for the large goals, and G6 teams for the folding goals
- *If a fifth practice spot is needed, please make space for them in the middle of the field – ie, Fields 1 through 4 should shift deeper into their respective corners.*

MIDDLE VILLAGE: K/1 clinic

- This is the maximum number of “micro 4v4” surfaces we would use on Middle this season, most often we will use fewer than indicated here.
- Players enter through the main entrance by the parking area
- Players exit via the same gate. Buffer times between activities to prevent intermingling of groups.
- *Make sure players do not walk across other team’s fields to get to theirs*

LOWER VILLAGE: M-F practices

- Please share / rotate the use of the available goals throughout the season
- On Lower Village please take extra care to make sure all players end up in the correct cars after practices and games
- *Make sure players do not walk across another team's field to get to theirs*

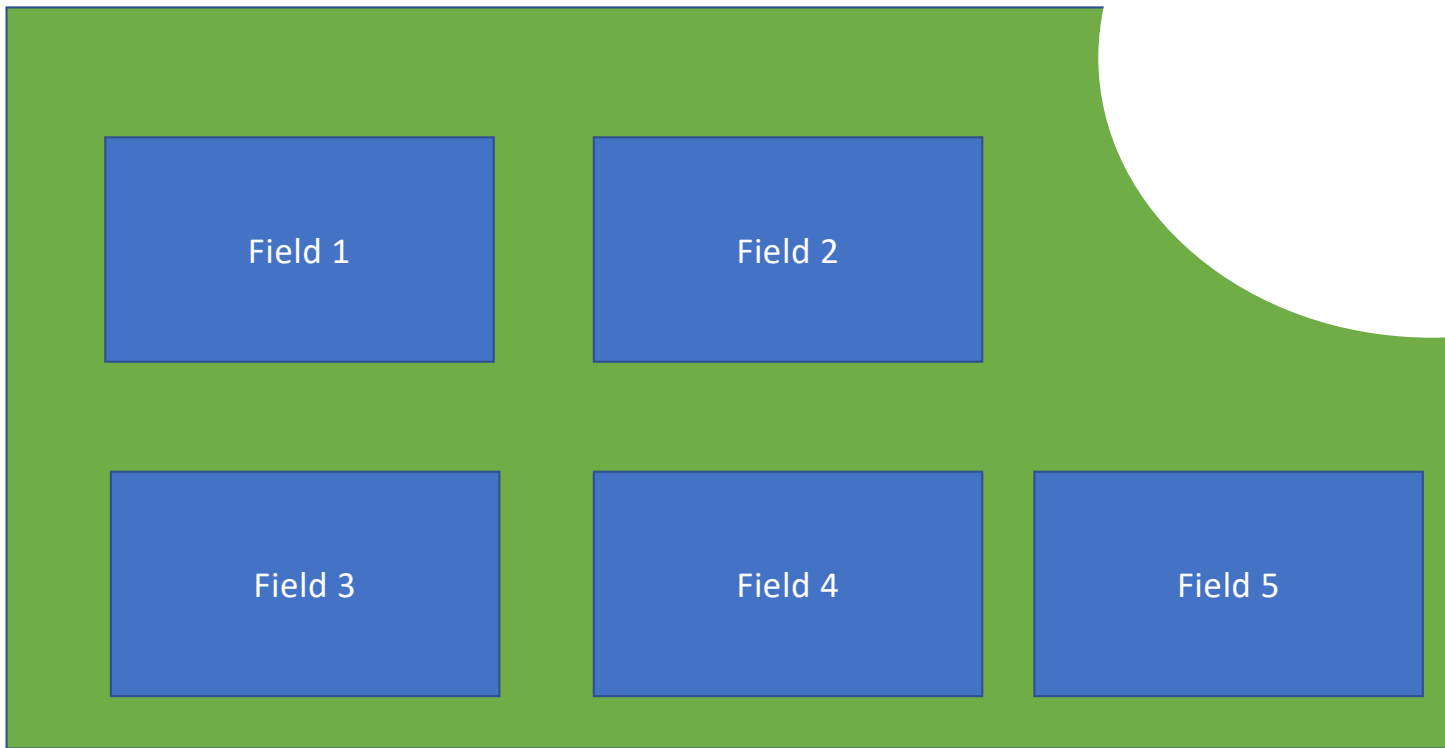

GREEN STREET: M-F Practices, 7-8pm

- We will only use Field 3 if absolutely necessary

BUD ORNE: Tu/Thurs practices (Grade 2)

Hill and playground

- Field 5 to be used only if necessary
- *Be alert for balls hit from the softball diamond*

West Shore Dr.
